

Hillside School Quick Facts

Mission

Hillside's mission is to maximize the potential of every student in mind, body, and spirit. This is achieved through our small class size, 7:1 student teacher ratio, and our academic support programs tailored to meet each boys' needs. Our extra curricular programs develop and challenge each student to perform at his highest level through practice, competition, and outstanding teacher support. The school's focus on others, empathy, brotherhood, and leadership will develop the soul and spirit of each student.

Core Values

Compassion, Determination, Honesty, Respect, and Brotherhood.
